

JUNIOR SALES ENGINEER (F/M/X)

PHOTONICS SALES

**ARE YOU READY TO BECOME PART OF
OUR STORY?**

Our ...

inspiring story began in 2015 in Jena, Germany. Gitterwerk GmbH is a start-up company that is purely run by enthusiastic pioneers, we are simply the BEST vendor for high quality diffraction gratings with world-renowned efficiencies. What drives us? Team spirit, mutually growing passion for perfection, and last but not least our strong desire to positively contribute to shaping the future of the Laser market. We are proud to say that Gitterwerk's cornerstone is its people, that is why we are committed to maintaining a respectful, open-minded, and encouraging work environment.

What is this job about? You ...

- + address challenging customer requests and offer them customized solutions
- + work with leading Laser manufacturers and Research Institutes worldwide to lift their Laser systems and scientific experiments to a new level
- + inspire clients by passionate grating consulting and application support
- + represent the company on international trade fairs and conferences

Your qualification:

- + academic degree in sciences (e.g. physics, photonics, ...), technology, or engineering (e.g. industrial engineering, optoelectronics, laser technology, telecommunication, micro and nano technology, ...), ideally with a focus on optics or Lasers
- + analytical way of thinking and self-reliant work philosophy
- + fun in explaining complex circumstances and working with mathematical models
- + excellent English language skills
- + ambition to contribute to continuous optimization of internal processes

We offer you to ...

- + work in an interdisciplinary team of 12 highly motivated people
- + grow with us and our markets and shape the future of the company
- + benefit from an open-ended full-time contract and intensive on-the-job training
- + enjoy a family-friendly work environment where you are valued

**We value diversity and welcome applicants with
different backgrounds and experiences!**
